🎟️ **LekkerRaffle**

BUYER QUICK START

Enter a raffle in 3 steps

No account needed. Download the app, buy tickets, and you're in.

🎟️ 3 steps to enter a raffle

1 **Tap the shared link**

Tap the link shared by the organiser (WhatsApp, Instagram, etc.). It opens the raffle details — prize, ticket price, how many are left.

2 **Fill in your details & choose tickets**

Enter your name and email, choose how many tickets (up to 50), and tap **Buy**. Bundle deals adjust the price automatically.

3 **Pay via PayFast**

Secure payment via PayFast. You'll get a confirmation email with your unique ticket codes immediately.

👤 Want to track your tickets?

- Create a free account — tap the **Account** tab → **Create account**.
- You'll get **push notifications** for draw results and new raffles.
- See your full ticket history in one place.
- Forgot password? Tap **Forgot password?** on sign-in to get a reset link.

📱 **App tabs**

🎫 **Raffles**	Browse and enter raffles
🔔 **Notifications**	Draw results and alerts
👤 **Account**	Your tickets, sign in, settings

🏆 **When you win**

- You get a **push notification + email** immediately after the draw.

- Your ticket card shows a gold **WON** badge.

- The operator contacts you to arrange your prize delivery.

- Once you receive it, tap the link in the "prize dispatched" email to **confirm receipt and leave a review** — no app needed.

💰 **Store credit**

If an operator issues you store credit, it only works on **that same operator's raffles**. Look for the "Use credit" toggle when buying tickets. Credits don't expire.

💸 **Refunds**

If a raffle is cancelled, you get a full PayFast refund within **3–5 business days**. No action needed on your end.
